BRAND

With dormakaba's extensive experience and commitment to cutting-edge technology, AIDO has made significant strides in its products. We are now expanding our focus on the Indonesian hardware and accessories market, delivering the same trustworthy and high-performance quality products.

BRAND BACKGROUND

Founded with a vision to revolutionize the door hardware and glass fittings industry, AIDO has a storied history of delivering exceptional products that combine functionality with aesthetic panache.

Our expertise is reflected in every product we create, ensuring each product not only meets, but exceeds industry standards.

Over 150 years, we have earned the trust of architects, builders, and homeowners worldwide, thanks to our relentless pursuit of perfection, innovation, and excellence in the global access and security market.
